Introduction: The following lesson plan and resources are designed to cover part of the 5th grade content standards for the New Deal. It addresses the successes and failures of the Tennessee Valley Authority. This lesson plan does not address the causes and impact of the Great Depression, which will need to be covered prior to this lesson. It also does not cover all the New Deal policies, which will also need to be covered either before or after this lesson.

Guiding Question(s):

• What was the purpose and goals of the Tennessee Valley Authority?
• How was the Tennessee Valley Authority successful?
• How did the Tennessee Valley Authority fail?

Curriculum Standards:

5.48 Describe the effects of the Great Depression on Tennessee and the impact of New Deal policies in the state (i.e., Tennessee Valley Authority and Civilian Conservation Corps). (C, E, G, H, P, T)

Materials Needed:

• Primary sources from Tennessee State Library and Archives, National Archives, Teach Tennessee History, and Library of Congress. They are all linked within the activity.
• Secondary sources from Tennessee 4 Me.
• Collection analysis sheet (attached) and clipboards for each student.
Lesson Activities:

Activity 1: Establish the Purposes and Goals of the Tennessee Valley Authority

- The teacher will provide each group with a copy of the primary source showing the general planning of the TVA from the Library of Congress.
- Groups will use the primary source to create a chart of the purposes of the Tennessee Valley Authority and the TVA’s goals in helping citizens recover from the Great Depression. Charts will be created in the students’ interactive notebooks.
- Next, the teacher will provide each student with a copy of a secondary source from the Tennessee 4 Me entry about the Tennessee Valley Authority.
- Groups will read the entry and add purposes and goals to their lists.
- The class will discuss the purposes and goals determined by using the primary and secondary sources.

Activity 2: Gallery Walk to Determine the Successes and Failures of TVA

- The teacher will create gallery exhibits around the classroom. Each exhibit will consist of a collection of primary sources. The teacher will provide each student with an analysis sheet and clipboard. The analysis sheet will provide space for students to describe each collection, record their observations, and explain if each collection shows a success or failure or both.
- Each group will be given 10 minutes at each collection to discuss the primary sources and record their responses.
- **Collection 1:** Barnyard at Night, Inside Home at Night, Woman Using Electric Vacuum, Cows Milked Using Electricity, Shearing Sheep with Electric Clippers, and Farm Wife Uses Electric Kitchen.
- **Collection 2:** Cherokee Dam Construction Workers, Douglas Dam Construction Workers, Pay Day at Douglas Dam, and Workers Report for Duty at Douglas Dam.

Write a business letter to Tennessee Governor Hill McAlister explaining the reasons why you want TVA to build the Cherokee Dam or reasons why you do not want TVA to build the Cherokee Dam. Use evidence from the gallery walk to support your reasons. Use correct capitalization, punctuation, spelling, and grammar when writing your business letter.
