## **INTRODUCTION**

Tennessee Candidate Speeches consists of taped speeches and interviews of candidates for public office in the 1970 and 1974 campaigns. Included are interviews and speeches for the office of Governor for the years 1970 and 1974, the office of Public Service Commissioner for the year 1974, and a few Congressional campaign speeches for the 5<sup>th</sup>, 6<sup>th</sup>, and 8<sup>th</sup> Congressional districts for the year 1974. Additionally, there are a few miscellaneous tapes that include speeches by Reverend Jesse Jackson and Fred Thompson, and a University of Tennessee Board of Trustees meeting that consists of discussions regarding the University of Tennessee, Nashville campus.

The entire collection consists of copies of the original tapes. The original tapes were in poor condition, so after copies were made, the originals were destroyed.
