**Department of Environment and Conservation, Air
Pollution Control Board Records, 1973-2009**

RG 401

COLLECTION SUMMARY

Creator:

Tennessee. Air Pollution Control Board

Inclusive Dates:

1973-2009

Scope & Content:

Consists of Air Pollution Control Board records, including meeting materials such as minutes, transcriptions, and audiocassettes.

Physical Description/Extent:

41 cubic feet

Accession/Record Group Number:

RG 401

Language:

English

Permanent Location:

RG 401

Repository:

Tennessee State Library and Archives, 403 Seventh Avenue North, Nashville, Tennessee,
37243-0312

Administrative/Biographical History

Air Pollution Control staff work to ensure that state air quality standards are upheld by regularly checking monitors, investigating complaints, and bringing violators into compliance. Other staff activities include planning and assessing whether new or expanded industries can fit within the air quality limits for specific areas of the state. The Air Pollution Control Board establishes state regulations for air quality and hears enforcement cases for violations of state laws.

(From *Tennessee Blue Book 2017-2018*)

Organization/Arrangement of Materials

Materials arranged in original order as provided by agency.

Conditions of Access and Use

Restrictions on Access:

No restrictions.
