Archival Technical Services

INTRODUCTION

The audit reports for these three record groups were microfilmed together in three series during the years 1979-1983. The Municipal Audits are for the years 1954-1966; the County Audits are for 1926-1969; the State Audits are for the years 1935-1967.

A composite index for the Audit Reports in Series I and Series III is arranged by name of city, county and state agency. Series II is not included in the index.
