**Administrative/Biographical History**

The Tennessee General Assembly created the Board of Veterinary Medical Examiners in 1905. Its mission is to safeguard the health, safety, and welfare of Tennesseans by insuring that all who practice as a veterinarian, veterinary medical technician, or euthanasia technician within this state are qualified. Effective January 1, 1997, veterinary facilities must obtain a premise permit. The Board interprets the laws, rules, and regulations to determine the appropriate standards of practice and assures the highest degree of professional conduct. The Board is responsible for the investigation of alleged violations of law and rules, and disciplines licensees, facility owners, and facilities it finds guilty. The Board may grant licensure by either examination or endorsement from other states.
