SCOPE AND CONTENT

Record Group 219, Addition, Tennessee Department of State, Elections Division, Campaign Financial Disclosure Reports, includes the years from 1989 through 1994 although the bulk of the records are from 1990 through 1994. This record group measured 31 cubic feet before it was microfilmed. The financial disclosure reports are required by law to be submitted to the Registry of Election Finance in the Tennessee Secretary of State's Office by candidates for the state legislature, Public Service Commission, state judicial offices, and for governor. This record group is an addition to Record Group 219.

These financial disclosure records were received from the Registry of Election Finance on March 24, 2004. The records were received in good condition and the original order was maintained. The financial disclosure reports are arranged in five series. Each series is chronological, then alphabetical. Series One includes the 1990 disclosures. Series Two includes the 1992 disclosures. Series Three includes the 1994 disclosures. Series Four includes the disclosures for candidates that qualified and withdrew during a special election in 1989. Series Five includes the candidates that withdrew from the 1990 election.

More information on campaign financial disclosures can be found in Record Group 219, Campaign Financial Disclosure Reports, 1974-1989; Record Group 193, Campaign Disclosure Statements (Federal), 1974-1989; Conflict of Interest Statements, 1974-1986; Record Group 212, Conflict of Interest Statements, 1977-1981; Record Group 77, Financial Disclosures, 1975-1978; and Record Group 148, Financial Disclosure Inspection Lists, 1975-1978.

These records have been microfilmed and the original documents have been disposed of in accordance with Records Disposition Authorization Number 1159. This is a microfilm only collection.
