## **INTRODUCTION**

Record Group 298, Secretary of State, Coal Oil and Gasoline Inspectors Commissions, spans the years 1926-1936. This record group consists of two volumes of records reflecting the appointment of commissions for Coal Oil and Gasoline Inspectors by Governors Henry Horton and Hill McAllister. The commissions read that the position of Commissioner was authorized "under Chapter 12 and 349, Acts of 1899, and Chapter 33, Acts of 1917."

The two volumes were maintained by the Secretary of State's office and are bound in sturdy bindings. The two volumes were transferred to the Tennessee State Library and Archives from the Secretary of State's Office in good condition. The commissions are entered in the volumes numerically with an alphabetical index in the front. There are no restrictions on the use of this record group.
