SCOPE AND CONTENT

Record Group 330, Secretary of State, Registry of Election Finance, Conflict of Interest Disclosure Statements, spans the period 1972-2006. This record group consists of Conflict of Interest Disclosure Statements filed by local, county and state office holders as required by state law. According to the 2005-2006 *Tennessee Blue Book*, the State Registry of Election Finance was created by statute in 1989 as an independent entity. It was attached to the Department of State for administrative purposes and is responsible for enforcing Tennessee's Conflict of Interest Disclosure Law. The seven member board is appointed by the governor and General Assembly.

Boxes 1-4 are arranged by the office held, then alphabetical by individuals. Boxes 5-30 are arranged alphabetical by individuals. The original order was maintained and no documents were removed.

Additional Conflict of Interest Disclosure Statements can be found in Record Groups 142 and 212. These records were microfilmed and destroyed according to RDA 1741. This is a microfilm only collection.
