INTRODUCTION

Record Group 275 consists of the registration forms filed by professional lobbyists with the Tennessee State Registry of Election Finance, which is a related board to the Secretary of State's Office. These records are from the year 1990 to 1996. Lobbyists in the state are required to register with the State Registry in accordance with provisions stated in Tennessee Code Annotated 3-6-104.

The Tennessee State Library and Archives received these records for microfilming on March 24, 1999. They were accompanied by the registration forms for political action committees, which will be processed as a separate record group. Originally, all of these records totaled approximately forty-four (44) cubic feet. These lobbyist registrations, as processed, are a total of fourteen (14) cubic feet.

The records in this collection has been processed alphabetically by the last name of the individual. The files for individual lobbyists are filed in reverse chronological order, for instance the most recent addition to the file is at the beginning of each folder. Photographs of individual lobbyists are included in some of the records.

This collection has been microfilmed and the original documents disposed of in accordance to Records Disposition Authorization No. 1743.

Single photocopies of items in this collection may be made for scholarly purposes.

SCOPE AND CONTENT NOTE

Record Group 275 contains lobbyist registration forms for the years 1990-1996. These records are an addendum to Record Group 240, which are lobbyist registrations from 1981 to 1989.

Lobbyists in Tennessee are required to register with the State Registry of Election Finance according to Section 3-6-101, Tennessee Code Annotated (Tennessee Lobbyist Registration and Disclosure Act)¹. These registration forms must include background information on the lobbyist, a complete list of clients and any addendum to previous registrations. A photograph of the lobbyist is encouraged to be included with the registration. These registrations must be filed with the Registry by June 30 of each year, or the day following the end of the regular annual session of the legislature, whichever is later. Any contributions, gifts, services or business arrangements made for officials of the executive branch of government and members of the General Assembly must be included with the filings. Failure to file a report with the registry can result in a penalty of \$25 per day; applicants can appear before the registry to plead their case in instances where penalties may be incurred. Many of the files in this collection include documents relating to such appeals and any penalties declared by the Registry.

The Registry of Election Finance is a seven-member board appointed by the governor and members of the General Assembly. It is administered by the Secretary of State's Office. The current (1999-2000) executive director of the registry is Peggy Nance Williams.
