INTRODUCTION

Record Group 257, General Assembly, 98th, Calendars, consists of calendars for both committees and floor sessions of the Tennessee General Assembly. The bulk of the collection consists of a weekly publication distributed by the Office of Chief Clerk of both the Senate and the House of Representatives indicating legislation scheduled for debate during a given week. Also included with some weeks are loose calendars that may give an even more accurate representation of exactly what was discussed in each meeting. The calendars consist of a listing of each bill due to be considered as well as a brief summary of each bill. These calendars may not include all legislation debated on a given day due to the fact that these calendars were prepared in advance and legislation that was added to committee and floor calendars from the floor of the House of Representatives or the Senate are not included. As processed, Record Group 257 consists of 1.42 cubic feet.

After microfilming, the original documents in this collection were destroyed.
