Date Completed: April 4, 1991

SCOPE AND CONTENT NOTE

Record Group 174 consists of various Tennessee legislative reapportionment maps from the years 1981-1983. Included is a statewide map of Tennessee House districts, along with individual district maps of Knox and Davidson counties.

These reapportionment maps can be studied in order to determine what efforts have been made in Tennessee to provide equal representation in the state legislature. Along with census data, they reflect the changing pattern of Tennessee's population.
