INTRODUCTION

Record Group 263, Senate Commerce, Labor and Agriculture Committee Records, consists of calendars and committee vote records for the period 1987-1996. For each meeting of the committee, a calendar was developed consisting of all bills placed on notice by the sponsors. These calendars indicated the projected order of business for each meeting and included a brief summary of each bill listed. Additionally, every bill that was assigned to the committee had a vote record sheet developed. These sheets indicate how each member voted on every bill that was heard. Also, these sheets indicate if a bill was sent to a different committee for further consideration.

Record Group 263 is a microfilm only collection. Original records consisted of 1 cubic foot and were destroyed after filming in accordance with the RDA for this type of record.
